Casemanager dashboard

The screenshot shows the DementieNet Casemanager dashboard. The browser address bar displays <https://www.dementienet.com>. The dashboard header includes the DementieNet logo, a search bar for "zoek op naam of geboortedatum", and navigation icons for "Netwerkgang", a search icon, a notification bell, and a user profile icon.

The main content area is divided into two sections:

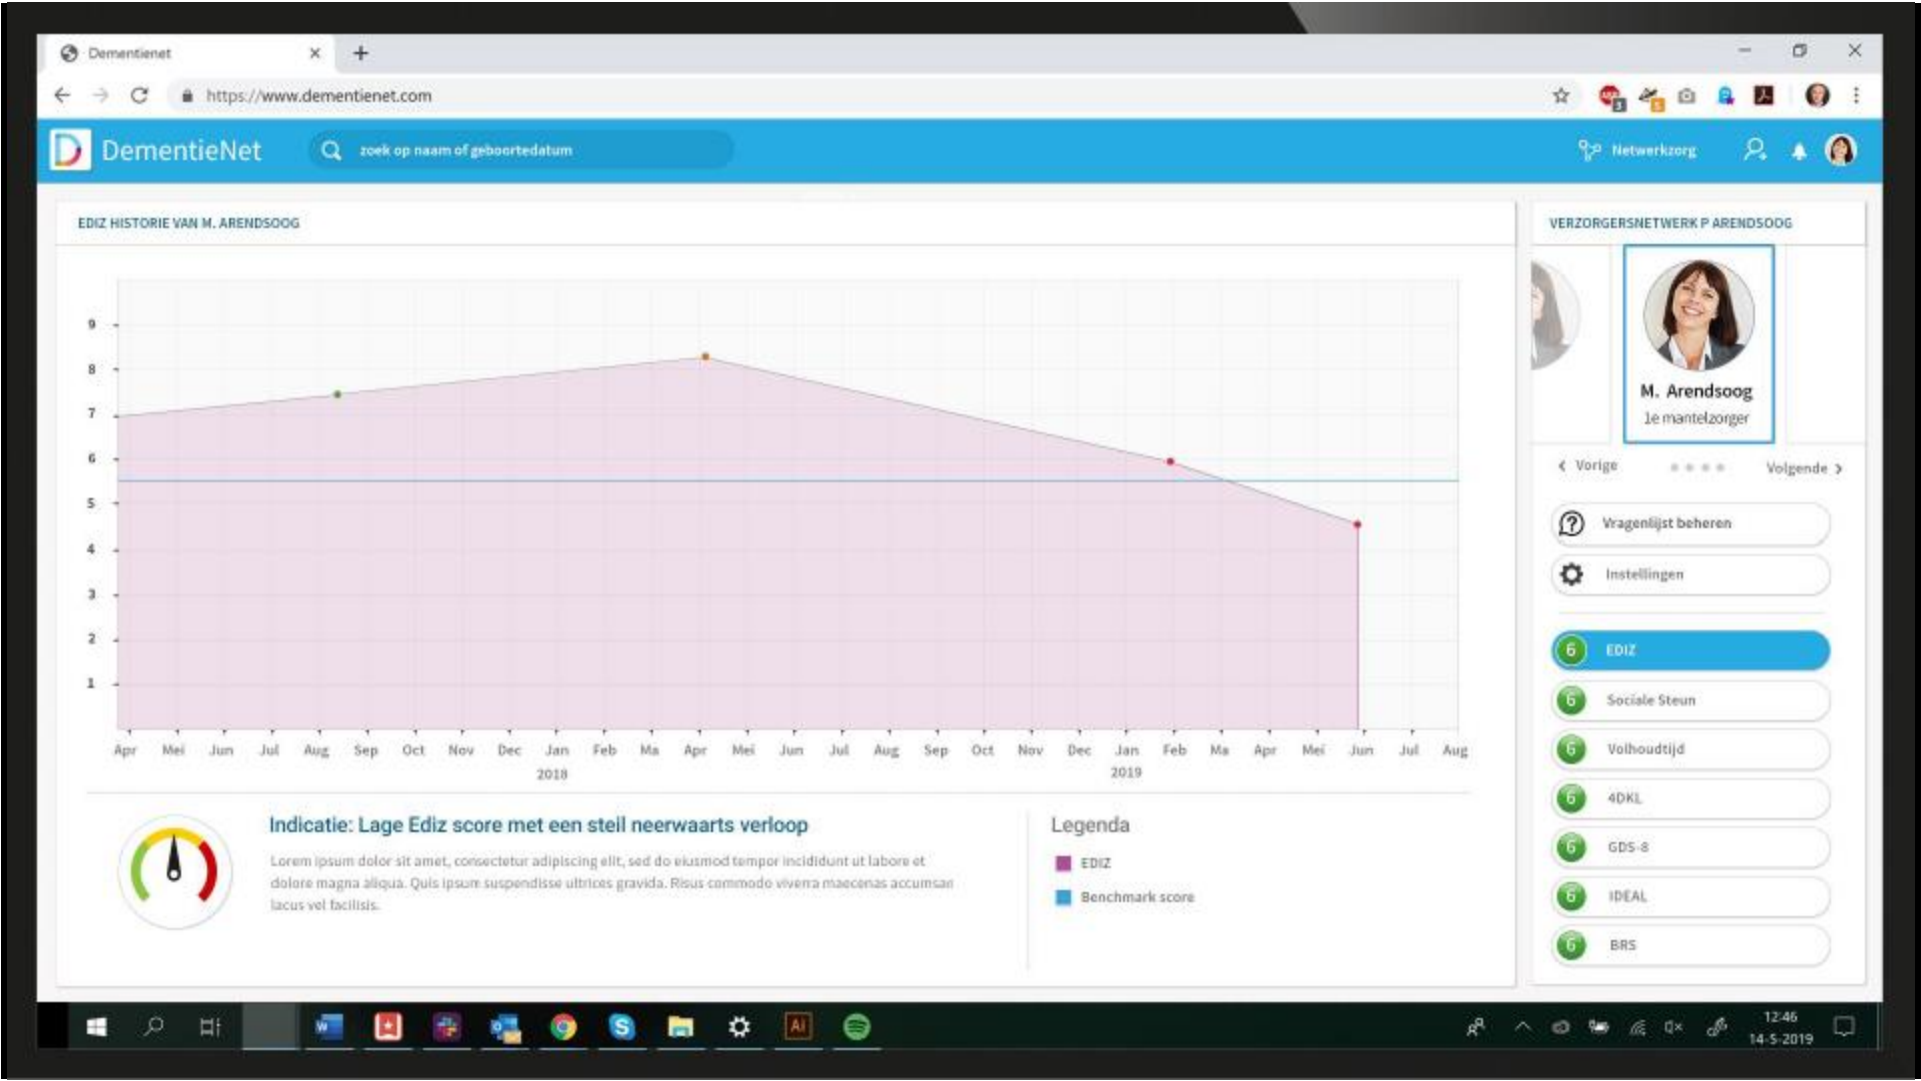

- 3 Patienten/ mantelzorgers met vereiste acties**: A table listing three patients and their caregivers. Each row includes a patient profile icon, patient name (Arendsoog, Jan, JHC), birth date (05/09/'67), a status indicator (yellow circle), caregiver name (Arendsoog, Marianne), caregiver birth date (05/09/'67), a status indicator (yellow circle), a set of action icons (MDO, FTO, Spd, WLZ), the region (Lent), and the casemanager (Jan Smit).
- 3 Patienten/ mantelzorgers zonder vereiste acties**: A second table listing three more patients and caregivers with similar data, but with different status indicators (green circles).

On the right side, a detailed profile for **Mantelzorger: M. Arendsoog** is shown, with the patient identified as **Patient: Jan Arendsoog**. The profile includes a "VERZOEK TOT CONTACT" button and a "PROFIEL OPENEN" button. Below this, a "STATUS MANTELZORGER" dropdown menu is visible, showing a list of status categories with associated counts:

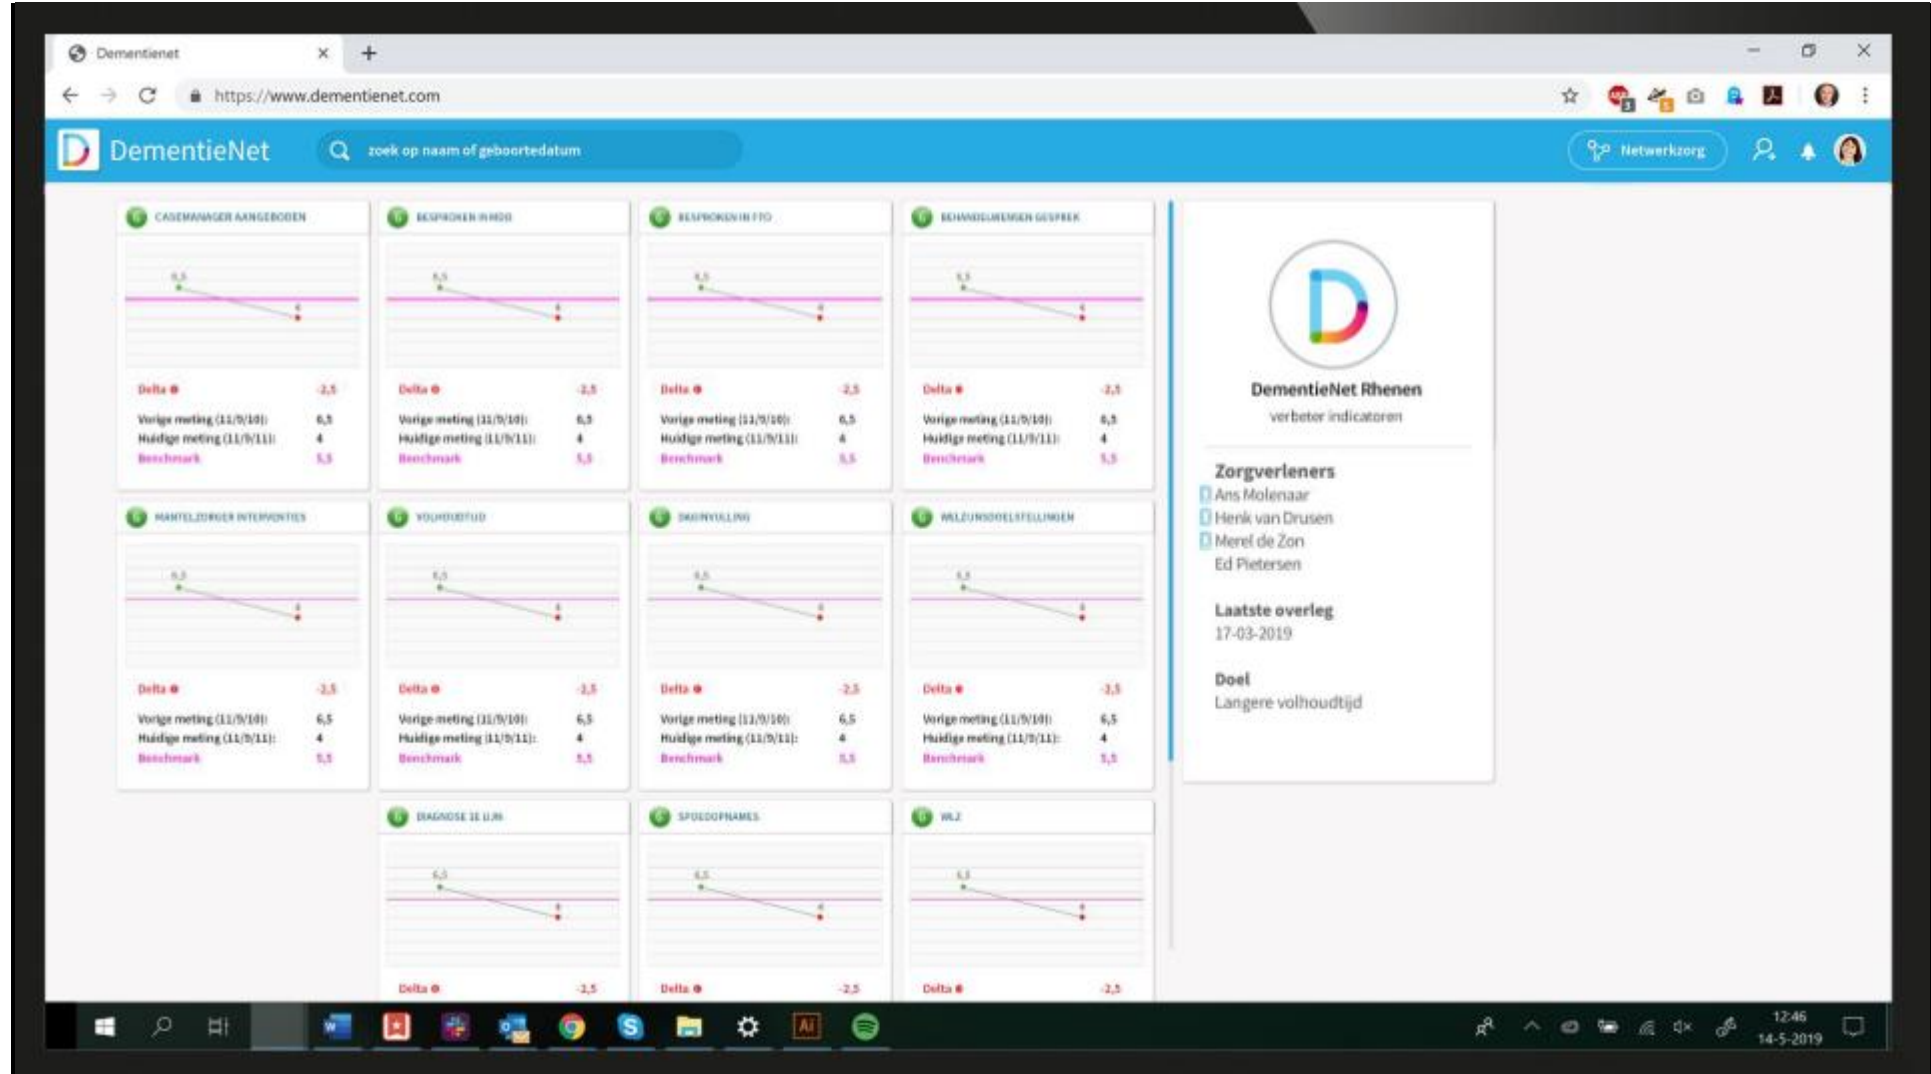

- 4 EDIZ
- 8 Sociale steun
- 6 Volhoudtijd
- 5 4DKL
- 6 GDS-8

The bottom of the screenshot shows a Windows taskbar with various application icons and a system tray displaying the time as 12:46 and the date as 14-5-2019.
